GENUINE EXCELLENCE. INFINITE POSSIBILITIES.

PVC HEADERS WITH COMPRESSION CONNECTIONS

Size	Part #
1 1/4" Main X 3/4", <u>2 Circuit</u> Insulated Header Angle Pattern	HPVC1207X2A
1 1/4" Main X 3/4", <u>2 Circuit</u> Insulated Header Straight Pattern	HPVC1207X2S
1 1/4" Main X 3/4", <u>3 Circuit</u> Insulated Header Angle Pattern	HPVC1207X3A
1 1/4" Main X 3/4", <u>3 Circuit</u> Insulated Header Straight Pattern	HPVC1207X3S
1 1/4" Main X 3/4", <u>4 Circuit</u> Insulated Header Angle Pattern	HPVC1207X4A
1 1/4" Main X 3/4", <u>4 Circuit</u> Insulated Header Straight Pattern	HPVC1207X4S
1 1/4" Main X 3/4", <u>5 Circuit</u> Insulated Header Angle Pattern	HPVC1207X5A
1 1/4" Main X 3/4", <u>5 Circuit</u> Insulated Header Straight Pattern	HPVC1207X5S
1 1/4" Main X 3/4", <u>6 Circuit</u> Insulated Header Angle Pattern	HPVC1207X6A
1 1/4" Main X 3/4", <u>6 Circuit</u> Insulated Header Straight Pattern	HPVC1207X6S

Attention: All headers are sold in pairs. Each pair comes with two PVC plugs to make headers into right or left hand configuration. All headers are sold standard configurations of 90 degree compression connections or straight compression connections. 90 Degree configurations are specified by (A) and Straight configurations are specified with a (S)
